

How to Donate Securities to Youth Home

Thank you for your interest in donating securities to Youth Home. It is usually beneficial to give appreciated securities since you bypass any capital gains tax due had you sold them and you receive a charitable deduction for their fair market value. Consult your personal tax advisor to see if this is a good option for you.

Everything you need is included here. If you have questions or would like our help in the process, please call Youth Home's Development Department at 501-821-5500.

Your charitable deduction will be the median market value on the date of gift. The legal gift date for certificates that are mailed is the postmark date on the envelope. For securities wired into our account, the legal gift date is the day they are received in our account.
